

Preucil School of Music  
**OBSERVATION FORM**

It is the policy of the school that students on the placement list observe a minimum of two private lessons of any teacher. The school strongly believes that seeing the Suzuki philosophy, commitment, and process in action is vital to the success of your child's music education.

When observing another student's lesson, please arrive 5 minutes early. You, the parent, may come alone or with your child. If your child does attend, please help them listen quietly while in the lesson. If your child becomes restless, please leave the studio (it's okay). In order to avoid distracting the student taking the lesson, please wait until the lesson is completed before asking any questions you may have.

In order to help us schedule your visit, please fill out the following information completely:

**Parent Name:** \_\_\_\_\_

**Student Name:** \_\_\_\_\_

**Desired Instrument to observe:** \_\_\_\_\_
